Introduction
BRICS Coin (BRX) is a decentralized digital currency inspired by the growing economic alliance of BRICS
— an international political and economic organization founded by Brazil, Russia, India, China, and South Africa. As the world shifts from traditional financial systems to decentralized models, BRX aims to
represent the crypto face of a multipolar world economy.
BRICS Coin empowers communities with borderless, fast, and democratic finance rooted in the
principles of global unity, economic strength, and sovereignty.
About BRICS Organization
About BRICS Organization

BRICS is an international group originally formed in 2009 by four emerging economies — Brazil, Russia, India, and China. In 2010, South Africa officially joined the group, forming BRICS.

The purpose of BRICS is to:
- Promote fairer global financial systems
- Create economic partnerships among member nations
- Challenge the dominance of Western-centric institutions like the IMF and World Bank
Together, BRICS nations represent:
- Over 40% of the world's population
- Around 25% of global GDP
- Major control over global energy, agriculture, and mineral resources
BRICS Expansion (Countries Wanting to Join)
Due to its growing influence, BRICS has attracted interest from other countries. Several nations have
formally applied or shown interest to join BRICS, including:
- Argentina
- Argentina - Saudi Arabia
- Argentina - Saudi Arabia - Iran
- Argentina- Saudi Arabia- Iran- United Arab Emirates
 - Argentina - Saudi Arabia - Iran - United Arab Emirates - Egypt
 - Argentina - Saudi Arabia - Iran - United Arab Emirates - Egypt - Ethiopia
- Argentina - Saudi Arabia - Iran - United Arab Emirates - Egypt - Ethiopia - Indonesia
- Argentina - Saudi Arabia - Iran - United Arab Emirates - Egypt - Ethiopia - Indonesia - Algeria
- Argentina - Saudi Arabia - Iran - United Arab Emirates - Egypt - Ethiopia - Indonesia - Algeria - Nigeria
- Argentina - Saudi Arabia - Iran - United Arab Emirates - Egypt - Ethiopia - Indonesia - Algeria - Nigeria - Mexico
- Argentina - Saudi Arabia - Iran - United Arab Emirates - Egypt - Ethiopia - Indonesia - Algeria - Nigeria

economic cooperation is not limited to the Western elite.
BRX Coin is not an official currency of the BRICS alliance — but it embodies the same vision: a multipolar, decentralized world economy.
BRX is designed to:
- Be a community-powered currency promoting financial independence
- Support cross-border payments between citizens of BRICS and developing nations
- Build a decentralized ecosystem where BRX can be used for trade, NFTs, staking, and governance
